

Supercharge your Chromebook

Event Overview:

The purpose of this PL module is to maximise the use Google Classroom and Chromebooks as a powerful teaching and learning tool in our one-to-one learning environments.

Over the last five years, the vast majority of our school's have adopted Chromebook and Google Classroom as their preferred tool to create transformational learning opportunities in years 3 - 6.

This Professional development is specifically tailored for those schools who have been using these resources for at least one year, and are now looking to enhance and 'supercharge' their students capacity to learn through technology.

Google Certified Educator Martin McGuaran will be running this session. Martin has a proven track record in both our diocese and schools across Australia in this space.
